Please read these notes and bear them in mind, and write on one side of the paper only.

ONE FULL QUART OF WHISKEY FREE

We know the meaning of words and will do as we say. We claim to be the lowest-priced Whiskey House and the Largest Mail Order Whiskey Concern in the South. All the North Carolina Whiskey we sell is good—there's no bad. People here wouldn't adulterate if they knew how—they are too honest. Most whiskey sellers are noted for mixing, blending and watering. We sell more genuine old whiskey and less watered than any known competitor. "Casper's 11 Year Old" Whiskey is a "liquid joy." It's made by honest "barbarians" in the mountains of North Carolina in old-style copper stills, just as it was made by our grandfathers. First-rate whiskey is sold at \$15.00 to \$25.00 per gallon, but it's not any better than "Casper's 11 Year Old." It must please or we will buy back. We have a superior Richmond and the Finest Blending Bank of this city will sell you our word is good. To introduce this old, honest whiskey, we offer four Full Quarts of "Casper's 11 Year Old"—two sample bottles—one 11 year old—corked and a drinking glass—all for \$5.00. If \$5.00 is sent we will double the above and put in free one quart bottle on receipt of bill and give free certificate, driving glasses and samples, making this whiskey cost less than \$5.00 per gallon delivered. We ship in plain boxes with no marks to indicate contents and keep all packages. Orders from Arizona, California, Colorado, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Wyoming or Washington must call for \$5.00 worth by freight prepaid.
